PASTORAL LEADER

Faith Community Lutheran Church, LCMC Slayton, Minnesota

Our community seeks an Ordained Minister or one who has met the commonly held standards for clergy, recognized and/or licensed as a Minister of the Gospel of Jesus Christ, or a leader who can provide proof of ongoing study towards that goal.

We are a new congregation, having established as a parish in 2021, lay-led and youth inspired. We want very much to follow the Bible, be Christ-filled, Christ led, Christ centered.

We have approximately 75 families listed as members, representing roughly 250 persons. Our Sunday School program supports 70+ children ages pre-school to Confirmation, with 33 young adults in the Confirmation program. Saturday worship is usually attended by 30-45 members, while Sunday mornings see 40-70+

Our congregation has an exceptional group of volunteers who make up the many teams that guide the children through their Sunday School studies, present special music, play the piano for worship services, construct worship bulletins, create beautiful banners and paraments, lead adult Bible studies, coordinate supply pastors, tend to altar needs, vacuum floors and scrub toilets. We all, do it all.

We are sheep, gathered together, worshiping and thriving, seeking our shepherd.
